Laretta Krcma-Olson, BPW President

Happy Spring! It's here officially but it sounds like there is still snow coming as I write this. Hopefully it will be gone by our meeting next week.

Thank you Sherry for leading the meeting in March. Thanks also to the members who made the final scholarship selection and to Sherry for helping with the initial reviews. And thanks to Karen for once again coordinating this important project. Our club should be very proud of the impact we have been able to make on the education of future generations.

We have a wonderful meeting planned for April as we present our final scholarships and learn about the recipients. Six of the seven winners plan to attend. I hope all members will be able to be at this meeting as well.

And --- our celebration in May should be just that -- a celebration of all that BPW has meant to all of us. Thank you Gert for coordinating the details of this event! It is bittersweet, but mostly sweet.

As always, remember to check your supplies to see if you need anything from Cindy Haefke.

Looking forward to seeing you all next week Wednesday.

Laretta
